Dear Esther,
2013
Christmas

How are you and your family?
Christmas is around the
corner and it's desirable
that we will get a white
Christmas.

In Germany, snow is a magic
word for the children and
a great pleasure.

Must snow not be like a
foreign word for you? We
hope our support is helpful.
We wish you and your
family an by the best and
best wishes for a
Merry Christmas!
Your
Frankfurt
